18th December 2016

Dear Mr Adams

Brixham Does Care would like to express our sincere thanks to your school choir for attending our Mince Pie morning in the Scala Hall on Thursday 14th December .

Once again, the Children's singing was a delighted the audience and the choice of songs had everyone clapping along. The children helped to create a very festive atmosphere and we have had some lovely comments from those who attended and really enjoyed their performance especially the excellent soloists.

Thank you again for your time and effort in bringing the children to sing for us.

Yours sincerely

Jo Neill
Administrator/Community Worker
