### **How to enrol on a club**

If you wish your child to attend, **permission slips are available from the school office**. This will be done on a first come first serve basis as some clubs have a limit on numbers. You will be notified by text message if your child has a place at the club.

In the event that a club is over sub-scribed then you will be notified if your child is not attending. In the event that a club is under sub-scribed we may have to cancel the club.

### **Arrangements for collection of your child for an after school club**

We will expect you or another designated adult to collect your child unless you have specifically stated that they can go home on their own. If your child cannot attend the after-school club for any reason please could they let the teacher organising it know. If a reason has not been given (other than absence from school due to sickness or any other authorised absence) we will contact you to ensure they are safely home.

We would of course expect your child to commit to any club they attend. If an after-school club has to be cancelled at late notice for any reason, we will contact you as soon as possible via the text messaging service.

Yours sincerely
