

Introduction to the Local Offer

Our School's Local Offer explains what we offer children and young people with special educational needs and/or disabilities (SEND) throughout their time with us. It explains how we support them on to the next stage of their education. You may also want to read our SEND policy, a document that gives more detail about our statutory duties and day to day procedures – for example how we plan the most effective support for children with special educational needs and/or disabilities (SEND) and how we review their progress.

Torbay Local Authority also publishes a Torbay Local Offer on its website.

www.torbay.gov.uk/localofferinfo

This sets out a wide range of information about the specialist services, schools, colleges and organisations that can provide support and information for families of children and young people with SEND. If you have any queries about information on this website you can contact our School directly. We value parents and carers' opinions and review and refresh our approach accordingly.

The Purpose of the our School's Local Offer is to inform parents and carers about:

- how we welcome children with special educational needs and/or disabilities into our School;
- how we support them in all aspects of School life and remove barriers to achievement;
- how we work in close partnership with parents/carers and children;
- how we make effective provision for all of our children with SEND.
