

# PE/Games

an awareness of our bodies, fundamental movements, gymnastic routines and basic football skills.

# French

counting, colours and some simple phrases.

# RE

beliefs and how they relate to Christianity and Judaism.

# Science

exploring how pushing and pulling are forces that act on objects.

# PSHE

new beginnings and how to deal with issues ourselves.

In Key Stage One our topic is "On the Road" and we will be learning about ...

# Literacy

how to create our own book based on a familiar story around a vehicle.

# History

how vehicles have changed over the years.

# Art

using different drawing techniques and materials to make observational drawings of different vehicles.

# Music

making long and short sounds, both with our voices and with instruments.

# D&T

designing and making our own vehicle with wheels and an axle.

# ICT

basic keyboard skills and how to follow instructions and program a remote control device.
