Pupil Premium Expenditure

April 2014 – March 2015

‘The Pupil Premium is paid to schools as they are best placed to assess what additional provision their pupils need’

The pupil premium is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers. Pupil premium funding is paid to schools according to the number of pupils who have been:

- registered as eligible for free school meals (FSM) at any point in the last 6 years
- have been looked after for 1 day or more or were adopted from care on or after 30 December 2005

In the 2014 to 2015 financial year, schools will receive £1,300 for each primary-aged pupil eligible for FSM at any point in the last 6 years, £1,900 for each ‘looked-after’ child and £300 for Service Children.

At Furzesham Primary and Nursery School, 76 children are currently eligible for Pupil Premium funding under the FSM criteria including children under the service children criteria. This is 29% of the pupil population. For 2013/2014, the school received **£98,800** of Pupil Premium funding. For the forthcoming financial year the allocation is £98,800

This includes seeing what each child needs at their current point of development in order to move their learning on further.

At Furzeham Primary & Nursery School, there is support tailored to individual needs which is used to accelerate progress for all of our children, including vulnerable groups.
