20th February 2018

Dear Parents,

This year World Book Day is on Thursday, 1st March and we will be celebrating the event by carrying out book related activities in our classrooms and other whole school activities. We will also have an assembly to launch the day.

All children are welcome to come to school dressed as a book character or alternatively in their pajama's like they are ready for a bedtime story!

KS1

If you (or another family member) would like to share a story with your child's class or a small group of children and are able to come into school at 2.30pm on World Book Day, then please can you let your child's teacher know. The children would love to hear your favourite stories and it would be great for them to see adults reading for pleasure too!

World Book day vouchers

Each child will receive a £1.00 voucher which can be exchanged for one of the special world books. Please visit WORLDBOOKDAY.COM/BOOKS for information about and extracts from this year's World Book Day books.

Scholastic Book Fair

We have the scholastic book fair arriving on 28th February until 7th March. Please come and look around after school in the hall and help raise some money for our school.

Book Swap

Year 6 children will be running a 'book swap'. Please bring in one unwanted book (which you will not get back!) to swap for another book which you haven't read. Year 6 children will collect all books first thing in the morning in the entrance hall and list all those children who have brought in a book to swap. When we have collected all the books in, we will organize each of those children to choose another book. We will also have a table available for an adult book swap!

Selfie/Photo Competition

Due to its success last year, we are setting the children a challenge of reading a book in 'an unusual place' and would like them to bring in a photo (or email the school with the photograph) and put all the photos on display. Here are some reminders from last year! How creative can you be?!

Many thanks for your anticipated support,

Mrs D Hewitt
Lower KS2 Phase Leader
